

Recycling comes to Ridgmar

With a new trash pickup contract for Ridgmar Crossroads, we now have a second bin for recyclable materials **ONLY**.

What can be recycled?

- Metal cans (aluminum, tin, steel & iron)
- Plastics (with recycle #1 through #7)
- Newspapers & mixed office paper (shredded paper should be put in a **paper** bag)
- Glass (clear & colored)
- Wax-free cardboard (please break down boxes to help conserve space)

DO NOT recycle (only a partial list): batteries, bubble wrap, coat hangers, food wrap, **plastic bags**, rubber balls, Styrofoam, syringes, razor blades, waxed cartons, wood, or yard waste.

Everything recycled must be clean and dry. It's important nothing besides recyclables be put in the labelled bin. Tossing in non-recyclable items will cost our HOA money.

Please take a moment to read the online information provided by Republic Services at <https://www.republicservices.com/recycling-guide?tab=local> for all the details. You can even download your own *acceptable/unacceptable material guide* for our community.
